Medical Information

Please details below any important information that our coaches should be aware of (e.g. epilepsy, asthma, diabetes, allergies, medication taken etc). Please ensure that your child attends every session with any medication required (e.g. inhalers/epipen).

Off Site Training

On occasions we would like to take the Junior RATs off the site of the Pitch and Putt fields so that we are able to offer them good variety in their training and also that we may meet their fitness needs with different types of training. This applies mostly to the older group. The areas that we would take the group include around the downs, on the sand at Summerleaze (tide allowing) or onto the coastal path around Bude. We would not take a junior group for a run on the road. The group would have two adults with it as well as a mobile phone and a small 1st aid kit. If you prefer your child not to leave the site they can stay with the group remaining at the hut for their session.

Do you give permission for your child to train off site at the coaches discretion?: YES NO

Photo Consent

Your child may have photographs taken during activities which maybe used for promotional and publicity purposes in relation to Bude RATS (for example: newsletters, notice boards, website and press releases). Please note that it is difficult to ensure that an individual is not included in team or race shots.

Do you give permission for your child to be photographed for the above purposes? YES NO

Do you give permission for your child to be named with a Photograph? YES NO

Parents Declaration

I confirm that my child agrees to abide by the rules of the club and the code of conduct for juniors.

I confirm that I have read the code of contact for juniors, coaches and parents and the Youth rules which are all available on the Bude RATS Website – www.buderats.co.uk.

I confirm that in joining the club my child is physically fit and takes part in club activities at his/her own risk.
