RATETTES' win Commando Challenge!!

the team: Isobelle , Bridget, Gemma, Kate , Dee, Irene

On Sunday 26th April 2009 our team battled it out against 67 other teams at the marines Commando Challenge 2009 to be one of the top finishers. Results on the day indicate their win. However, we are awaiting confirmation (and the trophy).

The challenge involved a 4k run (all up hill!!) followed by a number of time trials and challenges, including a stretcher carry and a grenade attack, before a 4k evacuation run back to base at Bicton Park.
